Experience the peak of cold therapy with our state-of-the-art Ice Bath, meticulously designed to redefine your recovery journey. Crafted with precision and innovation, this ice bath offers a comprehensive cold immersion experience that combines comfort, efficiency, and effectiveness. Here's what's included in our exceptional Ice Bath package:

1. Ice Bath Tub with Chiller:

Immerse yourself in a spacious and ergonomically designed ice bath tub that accommodates one person comfortably. Our advanced chiller system ensures that the water temperature remains consistent throughout your session, allowing you to reap the full benefits of cold exposure without compromise.

2. Double wall insulation:

Embrace the chill without worrying about temperature fluctuations. Our ice bath features premium insulation materials that work in synergy with the chiller, maintaining the water's desired coldness for the duration of your recovery session.

3. Lid for Temperature Control:

Enjoy the luxury of cold exposure. The included lid not only shields you from external elements but also assists in maintaining the perfect temperature within the ice bath, ensuring an optimal experience every time.

4. Step-In Design for Ease and Comfort:

Bid farewell to the awkwardness of climbing into an ice bath. Our step-in design allows you to enter the ice bath seamlessly through the chiller. Experience unparalleled convenience as you transition effortlessly into the cold water.

5. Seating for Enhanced Comfort:

Maximize your relaxation with the built-in seating option. Sit back, unwind, and let the cold water work its magic on your body, promoting muscle recovery, reducing inflammation, and invigorating your senses.

6. Comprehensive User Manual:

Our ice bath package includes a comprehensive user manual that guides you through the setup, operation, and maintenance of the ice bath. Follow the instructions to make the most of your cold therapy journey.
